High School Entrance Exam Results ...

We are delighted to report that all 52 children who sat their high school entrance exams, passed. This is a great credit to the school directors and their teaching staff.

Most major Thai companies require a high school certificate as a qualification for an entry level job. So, we have helped open the door for these children to have a better life.

Wang Boat Computer Room ...

We recently installed a smart classroom at Wang Both School. The room has 14 networked computers that are connected to the internet and is proving a big hit with the kids.

Other News

Cinema Outing...

In July we took the children from all five schools to the cinema at Market Village to see the Thai version of the movie "The Jungle Book" It was a great hit for kids, teachers and Bright Dawn staff!

Inspired by the adventures of the boy hero of the movie, the kids are now causing havoc in the classrooms....

*Oh, ooh-bee-doo,
I wanna be like you-hu-hu*

CLS A Grant...

In May, Bright Dawn was awarded a further two year grant of US\$ 40,000 by The CLSA Chairman's Trust to fund our healthcare and well-being program for 113 children at Huay Sai Ngam Primary School.

This trust has been involved in over 60 charity projects throughout Asia. Thank you CLSA for your continued support. We have raised a total of Baht 4.62million in the year to date. This more than covers our normal operating expenses for next year and allows us to fund special projects such as smart classrooms.

Music Exchange Program...

Hua Hin International School are visiting Nong Hieng School for regular music sessions.

The students at Nong Hieng are teaching the students from the International School how to play traditional Thai instruments. In return they are receiving help with their English. A win-win for everybody.

We can't wait for the first concert...
