## English Language Program Update ...

Our priority this year has been to extend our English Language program to other schools. The directors of the schools are very happy with the assistance provided by K.Nace, our senior English teacher, to improve their English classes.

To further embed the English program we have renovated one of the classrooms at Nong Kra Toom school to become an English learning center. This has quickly become a favorite classroom for the children. We have also funded a volunteer teacher, K.Bell, who holds a degree in English, at Wang Both school.

MAKE LEARNING ENGLISH FUN

## K.Boonlert...

We deeply regret to announce the passing of Boonlert Chareonthong, a founding board member of Bright Dawn. Boonlert was a leading figure in both the legal and charity community of Bangkok and his kind agreement to serve on the board gave Bright Dawn considerable credibility.

He provided invaluable assistance that enabled Bright Dawn to comply with Thai laws and regulations governing charities and was always willing to give sound advice on our activities. He was a kind and decent man and the Bright Dawn team extend our sympathies to his family.

## Other News

### Annual Sports Day

Our annual sports day was held recently at Nong Hieng school. The event was really well supported by guests and family members of the children.

It was an exciting day for the students from all our schools. They worked hard to compete for the title of champion in the many events held on the day. All the kids were in fine voice as they cheered on their team members and entertained the crowd with their cheerleading routines.

Congratulations to the overall victors for the sixth year running - Nong Hieng.

We love the innovative hoop design!

### Cinema Outing...

In May we took the children from all five schools to the cinema at Market Village to see the cartoon film, Sherlock Gnomes.

It was a great hit for the kids, teachers and the Bright Dawn Staff!

### New Term Gifts...

As part of our cleanliness initiative we supplied all kids with jackets, socks and dental kits at the start of the new school year. Both the children and their parents were delighted with their gifts.

Bright Dawn Foundation

a hand up, we're hand out.
