Welcome to Nong Kra...

Nong Kra school, which has 105 children, joined the Bright Dawn school support network in May. We now support 5 schools with a total of 611 children and serve over 1200 meals every day.

K.Ome, the director of Nong Kra, was delighted with our initial support comprising healthcare services as well as a new library and drinking water system. He felt this would help him increase enrollment as well as improve the health of the children.

New Computer Lab at Nong Hieng...

We upgraded the computer classroom at Nong Hieng school to help the new director, K. Areeya, launch her new computer skills program. The program will teach the children how to use the internet to gain knowledge of their school subjects. K. Areeya has excellent IT qualifications and

will personally manage the project, and a reporting / program control system is in place to measure progress. We hope this new program will be a learning centre and encourage our other schools to make better use of the computer classrooms Bright Dawn has provided.

Help us to give these local kids a hand up, not a hand out...

High School Entrance Exams.....

We are delighted to report that all 66 children who sat their high school entrance exams, passed. This is a great credit to the school directors and their teaching staff.

Annual Sports Day.....

Our annual sports day was held recently at Nong Kra Toom school.

From the marching band, to the cheerleaders it was an exciting day for the students from all our schools.

The competitors worked hard for the title of champion in the many events held on the day. All the kids were in fine voice as they cheered on their team members and entertained the crowd with their cheerleading routines.

Congratulations to the overall victors - Wang Both.

They looked great too!...

As part of our cleanliness initiative, we supplied all children with sports shirts, socks, shorts and track bottoms. As you can see from the picture they love their new gear.

Fun & Games at Black Mountain...

In June we took the children from all five schools to Black Mountain Water Park. The slides and flutes proved a big hit. All in all, a fun day for the kids, teachers & Bright Dawn staff!

Donor Update...

This year, we have already received donations of over US\$230,000 (6,986,000 THB)

Virtually all donations are used to cover the direct costs of our support for the children because a single donor has kindly agreed to cover our low overhead expenses. This wonderful generosity has enabled us to fund many needed projects at all our schools, such as a canteen extension, new libraries, a new sports building and an upgraded computer classroom.
