English Program - Good Results & Good Fun...

Nace, Head of our English Program, focused her efforts this past year on Nong Kra Toom and Wang Both Schools. These schools scored 2nd and 3rd out of 24 schools in the Hua Hin district in the year end government English exams. Nong Kra Toom improved its position from last in the previous year exams.

An English Day Camp was held at a seaside resort for over 80 children from all our schools. The event was supported by 9 expat teachers from Hua Hin School, who conducted a series of indoor and outdoor games and activities designed to teach key English words in a fun way.

Help us to give these local kids a hand up, not a hand out...
