Donation Update...

We are pleased to announce that, thanks to our generous and dedicated donors, we have successfully raised B5 million so far this year. Your unwavering support has been instrumental in maintaining Bright Dawn's strong financial health.

Despite this success, we anticipate a B1 million shortfall this year, mirroring last year's fiscal pattern. However, our robust reserves policy ensures that this is not an immediate concern. We are confidently navigating this challenge and continuously seeking new donors.

We are aware that circumstances can change and we welcome any new potential donors to our cause. If you have not donated yet, or know someone who might be interested in making a contribution, no matter how small, we would greatly appreciate it. Your support will help us continue our vital work and navigate the year ahead. Thank you for standing with us.

Embracing a New Academic Year: Planning, Preparations and Purchases

With the start of a new academic year at Bright Dawn, our team had been diligently planning and preparing to ensure a seamless transition for our students.

The directors convened for an in-depth planning session, setting the course for an enriching and productive year ahead.

Central to our preparations was the procurement of essential items for our students. From uniforms to toothbrushes, toothpaste, and crucial medical supplies, we've made sure our students are well-equipped for the new school year.

These efforts underscore our commitment to providing an all-encompassing, supportive learning environment.

As we embrace this new academic year, we are confident and excited about the opportunities it holds for our students. Here's to another year of learning, growing, and achieving at Bright Dawn!

Introducing Yoga for Students

We're so excited to introduce yoga classes at Wang Both school. This ancient practice offers a wealth of benefits, enhancing our students' physical strength, flexibility, and mindfulness. Yoga sessions provide a tranquil space for students to unwind, refocus, and cultivate inner peace, complementing their academic pursuits. By incorporating yoga, we aim to foster a balanced approach to learning and wellness, nurturing both the mind and body. It is a step towards creating a calmer, more centered learning environment that promotes overall well-being.

Congratulations to Nace on completing her PhD

We are thrilled to congratulate our Head of English, Nace, on successfully completing her PhD in Innovation of Early Childhood Education. This remarkable achievement not only showcases Nace's dedication and passion for education but also her commitment to advancing the learning experiences of our students. Her research and insights will undoubtedly serve to enrich our educational approach, particularly in early childhood education. The Bright Dawn community applauds Nace for this outstanding accomplishment and we look forward to the positive impact her advanced expertise will have on our foundation. Congratulations, Nace!

Prioritizing Safety: First Aid Training at Bright Dawn

Recognizing the importance of first aid knowledge and skills, we recently conducted a First Aid Training program. Our teachers and staff enthusiastically participated, learning crucial skills to respond effectively in emergency situations. This training not only equips them with the knowledge to provide immediate care during an emergency but also fosters a safer, more prepared school environment. We believe such initiatives are pivotal in ensuring the well-being of our Bright Dawn community, further emphasizing our commitment to safety and care.

Language Learning Fun: Reflections on Junior English Day

Our inaugural Junior English Day, organised by our English teacher Opal, was a resounding success, marked by laughter, enthusiasm, and a whole lot of language learning fun.

This event, designed to make English learning engaging and enjoyable, saw our young learners enthusiastically participating in a variety of interactive activities and games.

These immersive experiences, we believe, are instrumental in breaking down language barriers and fostering a love for learning English.

The day was not just about language acquisition; it

was about building confidence, sparking curiosity, and creating memorable learning experiences.

As we reflect on this event, we are reminded of the joyful faces, the lively interactions, and the unmistakable buzz of excitement. More importantly, we see the immense potential of such initiatives in enriching our students' learning journeys. Junior English Day was indeed a celebration of learning, and we look forward to many more such occasions.

Celebrating Sporting Spirit: The Bright Dawn Sports Day

The recent sports day hosted by Nong Kra Toom School was nothing short of spectacular. Despite the competitive nature of the event, which saw five schools vying for the championship, it was the day's festive atmosphere that stole the show.

The event kicked off with a marching band followed by a parade, each representing their respective schools. The rhythmic beats resonating through the school grounds set the tone for the day - energetic, vibrant, and full of life.

Adding to the day's charm were the colorful cheerleaders, their spirited routines and dazzling outfits making the event all the more memorable.

Their cheers echoed throughout the day, encouraging the participants and enlivening the atmosphere.

Amidst all the excitement, it was Nong Hieng School that ultimately triumphed. Their performance won them the overall championship, culminating the day on a truly amazing note. The event ended with applause, celebrating not just the winners, but the spirit of camaraderie and sportsmanship exhibited by all.

Unleashing Creativity: Highlights from Our Drawing Competition

Our Drawing Competition, held over the school holidays, was a vibrant celebration of creativity, showcasing the artistic talents of our Bright Dawn students. This event provided a platform for our young artists to express themselves freely, resulting in a myriad of unique and inspiring artworks. From colorful landscapes to imaginative characters,

each entry was a testament to the boundless creativity of our students. The competition was not just about artistic skill, it was about encouraging creativity, self-expression, and confidence among our learners. As we reflect on the highlights, we applaud all participants for their creativity and enthusiasm.
